

Prayer for The Gold Hill Family (September 2010)

Dear Friend,

Thank you for joining with me in my induction at Gold Hill. I would be so honoured if you would continue to pray for us as a community of Christ's followers as we move forward from this moment.

Revd Malcolm J. Duncan
Gold Hill Baptist Church

Father,

Pour out Your Spirit on Gold Hill Baptist Church and the surrounding communities and beyond. Knit us together in love. Please make us a community of people who love You with all of our hearts and love our neighbours as we love ourselves. Give us welcoming spirits, open hearts and a passion to journey further with You - always open to new possibilities. As we embark on this chapter of our lives together, thank You for all of the previous chapters of the church's history. Help us to learn from the past, but not to live in it. Help us to honour all that has happened by Your Spirit here. Give us a spirit of adventure and faith. Open our eyes to new possibilities and cause expectation to rise within us. God of new beginnings, bring Your life to many. We offer You all we have, all we are and all we will ever be. Help us to serve the broken and embrace the lonely. Let authenticity be our hallmark and faithfulness our stamp. Make us a community where You can be encountered. Above all else, stand at the centre of our lives as individuals and as a community and do what You want with us, now and every day.

Amen
